A Creative Community of Fiber Artists

LEARNING...

through study groups, workshops, programs and educational demonstrations.

INSPIRATION...

with show & tell and showing off their talents during community exhibits.

FRIENDSHIP...

made while enjoying field trips, fiber events, conferences and retreats.

Our Membership include: fiber artists, fiber animal owners, beginners to advanced and the curious at heart. There is a strong spirit of mentoring, camaraderie and support within the guild. Our meetings provide an opportunity for sharing and showing members' accomplishments as well as programs by members and outside experts. We also have study groups on a variety of topics including: beginning and advanced weaving, spindle and wheel spinning, and natural dyeing. NOSSG has group memberships with the Handweavers Guild of America (HGA), Northwest Regional Spinner's Association (NwRSA), and Association of Northwest Weavers guilds (ANWG). We also keep in touch with other local guilds, by sharing information about events and workshops.

NOSSG MONTHLY MEETINGS

We meet the first Saturday of the month at 10:00am

*except for the months of: June, July, August, October & December
